

WEBSITE RE-DESIGN

Site update for Lyme and Cancer Services (LCS). Design was completed within the original Wordpress theme.

Original Design (Inner Page)

The original design for the 'Lyme Facts' page features a green header with the 'Lyme and Cancer Services' logo on the left and contact information (Phone: (269)509-0338, Fax: (269)585-6008) and social media icons (Facebook, LinkedIn, Twitter) on the right. A navigation menu includes 'ABOUT US', 'CLINICS', 'LYME', 'CANCER', 'TESTIMONIALS', 'BLOG', and 'CONTACT'. The main content area is titled 'Lyme Facts' and contains a section for 'Ten Basic Lyme Disease Facts' with 10 numbered points.

Inner Pages (after re-design)

The redesigned website features a clean, modern layout. The 'Recovery Factors' page has a white background with a green header containing the logo and contact info. The main content area is titled 'Recovery Factors' and includes a sub-section 'Lyme and Cancer Recovery Factors' with a paragraph of text and a photo of a woman eating. A sidebar lists various health issues like 'Dental Issues', 'Detoxification', and 'Manual Work'. The 'Therapies' page follows a similar structure, with a sub-section 'The Basics of Complementary Treatments at a German Clinic' and a list of therapies including 'Antibiotics', 'Hyperthermia', and 'Infrared Sauna'. A photo of a woman in a sauna is included. The footer of the 'Therapies' page contains a 'back to top' link.
